Texas Education Code, Section 37.081(g) requires school District Police Departments to enter a Memorandum of Understanding ("MOU") with law enforcement agencies with which they have overlapping jurisdiction that outlines reasonable communications and coordination of efforts between the departments. This MOU is to outline reasonable communications and coordination of effort between DCSO and CISD PD.

TERM

This MOU shall remain in effect for one (1) year from its effective date. It shall be automatically renewed for successive one (1) year terms unless either party gives notice in writing to the other party at least thirty (30) days prior to the end of the term of its intent not to renew.

Under the terms of such agreement which shall be in place prior to the beginning of operations under this MOU, and at all times during such operations, DCSO will make available to CISD PD access to TCIC/NCIC data as necessary and appropriate for CISD PD in carrying out its duties. A copy of the non-terminal agency agreement is attached hereto as "Attachment A". CISD PD shall ensure its officers have any necessary training and certification for access to said data.
